

Tennant 7300

An advanced designed ride-on scrubber-dryer that can hold large-capacity batteries with quick changeover facility offering powerful performance and maximum productivity to create the best looking floors. One meter scrubbing width, with disc or cylindrical scrub brushes makes the 7300 fit the most complex cleaning environments. This model is also available with Tennant FaST-technology.

Features

- The high rpm of the brushes, brush pressure and vacuum in combination with working speed gives excellent performance
- FaST (Foam Scrubbing Technology)
- Cylindrical scrub system
- ES (water recycling system)
- Memorised, ergonomical one button scrubbing and power steering

Benefits

- Excellent performance
- Up to 30% more productivity, up to 30% cost saving and 95% savings on water and detergent
- Cylindrical brushes pick up occasional debris to eliminate the need for sweeping before scrubbing
- Extends runtime and increases productivity for medium to heavy soilage
- For ease, comfort and excellent manoeuvrability

Applications

- Retail facilities
- Manufacturing & production facilities
- Warehousing & distribution facilities
- Contract cleaning
- Transport sector

Large battery compartment

Convenient drain hoses

Optional power wand

Operator comfort

TECHNICAL SPECIFICATIONS 7300

102cm

Machine Dimensions		
Working width (scrubbing path)	cm	102
Squeegee width	cm	130
Dimensions (lwxh)	cm	213x114x145
Machine weight (net)	kg	898
Scrubbing System		
Area coverage - theoretical (max)	m ² /h	9,180
Area coverage - practical (max)	m ² /h	5,980
Number of brushes/pads	qty	2
Diameter disc brush/pad	cm	51
Length cylindrical brush x dia	cm	102 x 23
Brush assist drive	yes/no	no
Transaxle drive	yes/no	yes
Brush pressure (disc only)	g/cm ²	0-74
Brush pressure	kg	0-227
Recovery System		
Airflow	l/s	34
Water lift	kPa	16
Practical capacity solution tank	L	216
Practical capacity recovery tank	L	216
Power		
Power source		battery 36V
Total power consumption	W	9,750
Protection class	I/II/III	III
Sound level (DIN45635)	dB(A)	78
Operation		
ES	yes/no	yes
FaST	yes/no	yes
Cylindrical/Disc		cylindrical or disc
Propelling		
Transport speed	km/h	9
Working speed	km/h	6,5
Climbing capacity	%	14
Turning circle	cm	240

Configuration

- Disc ES
- Disc FaST
- Cylindrical ES & power steering
- Disc ES & power steering
- Cylindrical ES
- Cylindrical FaST

The above mentioned configuration includes as standard head lights, flashing lights, backup alarm as well as one FaST-PAK™ on the FaST model.

Accessories

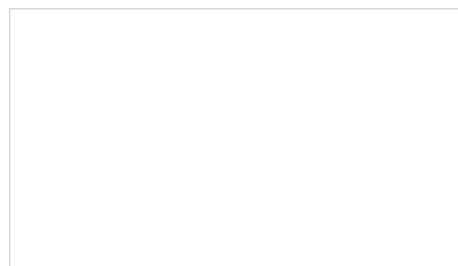

- Brushes (disc or cylindrical) • Batteries • Pads • Charger • Pad drivers • Conventional detergent or FaST

Options

- Power wand (not on FaST models) • Heavy-duty rear bumper • Overhead guard • Detergent metering system (not on FaST models)
- Drain hoses with valves solution & recovery • Chain drive cylindrical scrubhead

Warranty

24 Months (or max 2000 running hours) on parts and 12 months (or max 1000 running hours) on labour, whichever comes first, excluding wear items.
